

## **MARITIME SECURITY POLICY**

Morgan Marine Pty Ltd (MM) is committed to safeguarding its employees and assets, whilst assuring continued dedicated delivery of services, through the provision of safe and secure vessels for its crews, clients and cargoes whilst at sea and in port.

MM shall

- Comply with all applicable statutory legislation, regulations, standards and any other requirements to which the Company subscribes.
- Develop and maintain a Ship Security Plan which identifies Ship Security Officers, who have undertaken relevant formal security training as required.
- Conduct Ship Security Assessments on all vessels.
- Develop and maintain response plans for security breaches for all foreseeable and realistic emergency situations and periodically undertake drills to test the effectiveness of the response

MM shall continuously drive improvement of security management and practices by undertaking periodical reviews and regular internal monitoring to measure, report and improve on performance. The process of continuous improvement also incorporates customer feedback and employee contribution.
