EASY AND POWERFUL TO USE

NILFISK Combat is great for those who look for a vacuum cleaner with strong suction, want to run without a dust bag and want to see the dust and dirt that comes out of their carpets.

NILFISK Combat with bagless technology is a very user friendly vacuum cleaner with a large 2.5 l transparent dust container that is easy to empty. Combined with a strong 2200W motor, the vacuum cleaner provides you with an excellent cleaning result as it is strong enough to get the dust up effortlessly. Including a HEPA filter for better filtration, dirt comes in and clean air comes out of the vacuum cleaner. As bonus, you get an extra turbo nozzle for in-depth cleaning of carpets and removal of pet hairs and a hard floor nozzle for smooth cleaning on hard floors.
