

The quality you expect

Nilfisk GWD 300 is a series of wet and dry professional vacuum cleaners. The ergonomic and modern design makes them easy to handle and highly functional. The GWD 300 range incorporates all of the attention-to-detail that have made Nilfisk-Advance the brand of choice amongst cleaning professionals.

All models are based on a modular design, with different tank capacities of 20, 35, 50 and 75 litres. The Craftsman variants include a power socket for electric tools, automatic on/off, and delayed action shut down on automatic mode. There are also 3 variants with durable steel container available.

PRODUCT FACTS

- A range of vacuums to meet most every day wet and dry pick up needs
- HEPA and cartridge filter available
- Variants with durable steel containers in 35 or 75 litres
- Craftsman's version with power socket, automatic on/off and delayed action
- Fast access to float basket and filters for cleaning and maintenance
- Modular design allows easy and flexible interchange of platforms
