Before & After baby is born

Mothers view video
Clear simple steps
Demonstrated and
explained

Here's how one mum described it

"Your video changed my (our)

life! ...the first weeks of breastfeeding were very difficult... I dreaded every feed... and was about ready to give up, when a volunteer consultant lent me your video... I must have watched the video ten times. A day later, my daughter and I were on our way to a great breastfeeding partnership."
