

ATMOSPHERE

CLEANING & MAINTENANCE INSTRUCTIONS

APPLICATION

The stunning Atmosphere mesh fabric is available in 19 designer colours, two convenient widths and has been engineered for optimal visibility and superior UV, glare and heat reduction.

Atmosphere is treated with anti-bacterial and anti-fungal treatments to keep it looking good and performing better, for longer.

Atmosphere is formaldehyde free and carries certification to the strict Oeko-Tex® Standard 100 ensuring there are no harmful chemicals or substances used in their production.

EXTERNAL MESH + SCREENS

External mesh and screening · Drop blinds · Privacy screens · Outdoor curtains · Awnings · Fixed screen and track system applications · Recreational vehicle awnings and walls.

CLEANING INSTRUCTIONS

1. Use a warm, mild soap solution and a soft brush to clean Atmosphere
2. Allow to air dry before being retracted (into head box, roller blind or awning)
3. Alkaline or solvent based cleaners are not recommended for use with Atmosphere
4. A regular cleaning and maintenance program is recommended - at least once every twelve months
